

## The New Poole Family YMCA in Garner Celebrates Completion!

Garner, North Carolina

The YMCA of the Triangle celebrates the opening of its newest facility. The Poole Family YMCA, located on Aversboro Road in Garner, is complete and opened on March 7, 2018.

The new 39,342 square foot center features a large wellness floor, a gymnasium, a spin studio, workout studios, a multipurpose room, offices, children's care and play space, and support spaces. The outdoor spaces to be completed in the future include an outdoor pool, lap pool, kid's pool, and a pool house along with an amphitheater, outdoor chapel, and a large multi-purpose play field.

EDi provided mechanical, electrical, plumbing, and fire protection engineering design and construction administration and is pleased to be a part of the design team for this project.

Additional information is available on the YMCA of the Triangle website: <https://www.ymcatriangle.org/poole-family-ymca>

### About Engineered Designs, Inc. - *Engineering Life Into Buildings*

EDi engineers take systems design and operation seriously. Quality engineered designs increase the value, usability, longevity, and efficiency of a building resulting in lower operating and maintenance costs. Engineered Designs, Inc. is a team of professionals providing building systems design, energy analysis, code consulting, and commissioning. Our professionals seek to design buildings that not only work, but also consume the lowest amount of energy and have minimal environmental impact. Through energy management and systems commissioning, we can assist owners in evaluating, optimizing, and maintaining building performance.
